

New Trainees start their Apprenticeship at Ziegler in Giengen

Giengen, September 01, 2015 - 10 high school graduates start their training or studies in the fields of Mechatronics, Vehicle Construction, Industry and Information Technology at the Albert Ziegler GmbH in Giengen. In the upcoming weeks the new trainees will get an introduction into the professional life and their workplace. At the welcome meeting, they already got to know the company, the new colleagues and other trainees.

From left: first row: Uwe Färber (Team Leader Training Workshop/Fixture Construction), Eugen Wakengut, Leon Czichon, Eugene Luan (CEO and President of the Albert Ziegler GmbH), Bernd Geiselmann (CFO of the Albert Ziegler GmbH), Katherina Belsch, Gamze Aydogdu, Juliane Petermichl (Deputy Head of Albert Ziegler GmbH). Second row: Niklas Kopietz, Jens Vogelsang, Richard Ott, René Zemmler, Franziska Benz, René Klaiber, Jochen Brachert (Chairman of the works council)

"Those who are interested in a high quality and varied education find best conditions at the Albert Ziegler GmbH", according to Juliane Petermichl, Deputy HR Manager of the Albert Ziegler GmbH. "The products are exciting, the work climate fair and the tasks are very diverse." Trainees benefit especially from the expertise of the trainers and the special education programmes, continuously developed by the Albert Ziegler GmbH. "In the context of internal training, we support the trainees for example for a better understanding of the products and processes. We assist them in learning for vocational collage and prepare them also for exams. Therefore we established the training programme Z-akad", Juliane Petermichl.

About Ziegler:

The Albert Ziegler GmbH is a leading international supplier of vehicles for firefighting, civil protection and the police, as well as firefighting accessories and technology. The comprehensive product range includes clothing for the firefighting services to highly specialized pumping and fire extinguishing systems to all kinds of emergency vehicles. Out of currently more than 1,000 employees worldwide, around 600 are employed at our headquarters in Giengen an der Brenz, Germany. Other Ziegler manufacturing facilities are located in Germany (Rendsburg and Mühlau) as well as The Netherlands, Croatia and Indonesia. Sales and service offices can also be found in the Czech Republic, Italy, Slovenia and China.
