ZIEGLER delivers 9 HLF 20 to Luxembourg

Giengen, July 2020 – In 2020 ZIEGLER Group delivered a total of 9 HLF 20 to Luxembourg. The vehicles are built on Mercedes Benz Atego chassis and have an engine power of 220 kW (299 PS).

The country of Luxembourg has always been convinced of ZIEGLER quality and relies on tailor-made solutions “Made in Germany”. Four of the nine vehicles are built on a 4x4 chassis, the other five on a 4x2 chassis. The vehicles are used in the following locations in Luxembourg:

- Hosingen (drive type 4x4)
- Wiltz (drive type 4x4)
- Redange (drive type 4x4)
- INFS (drive type 4x4)
- Echternach (drive type 4x2)
- Sadiff (drive type 4x2)
- Remich (drive type 4x2)
- Mondercange (drive type 4x2)
- Hesperange (drive type 4x2)

Due to the Covid-19 situation, a ceremonial handover in May 2020 has not been possible. Nevertheless, the country of Luxembourg is happy about the nine new vehicles which are now in use in the different cities.

The HLFs have a comprehensive range of equipment and are thus fully equipped for all rescue, assistance and firefighting missions. The Z-Cab crew cabin has also been built according to customer requirements and is equipped with 4 BA seats.

A detailed technical description of the vehicles can be found on the following pages.
